

Sage FAS Barcode Reader: Unitech PA600

An affordable and lightweight barcode reader:

A durable barcode reader designed to allow a mobile workforce the ability to efficiently maintain and track a company's fixed assets, the Unitech PA600 offers a sleek PDA-style design for asset tracking and data storage. Extremely powerful and durable, the PA600 has an IP64 rating to resist dust and water, and can also withstand 4-foot drops to a concrete floor. This versatile tool allows companies to improve asset tracking by recording and storing the data from the asset inventory label where it can then be uploaded into the FAS Asset Inventory database.
